Primary School | Grades 1-5

Connected learning, strong literacy and communication, mathematical and scientific thinking, character and personal growth.

High School | Grades 6-10

Subject depth, independent enquiry, personal growth and innovation in action.

Senior Secondary | Grades 11-12

Subject depth and academic rigour, personalised educator guidance, college and career readiness, leadership and personal growth.

Care beyond the classroom

Transportation

School buses connect the city and nearby areas, making the daily journey to and from HKS convenient for students and families.

CCTV

CCTV monitoring supports campus safety, helping maintain a secure environment where students can learn, play and grow.

Security

A secure campus perimeter and safety measures help create a protected environment for students throughout the school day.

Medical & First Aid

Medical and first-aid support helps address minor injuries and everyday health concerns.

Admissions 2027-28

Admissions for 2027-28 are open from Nursery to Grade 12, for day and residential students. To apply, contact the school office or request the admission form from the Admissions page of the school website.
